Hall is done with the paving project aside from fixing some driveway issues. Cline has finished all the sidewalks in section 1 but one section where someone deliberately went through barricades and tore it up with footprints. Cline would like to be paid to make the repairs as this is an added repair and estimates the cost at \$1600. Bob Dalton **made a Motion** to repave the damaged section of sidewalk and a 12 foot section of Millet for an amount not to exceed \$2200. Bob McCue **seconded the Motion. The Motion passed.**

Drainage problem behind 7425 E. Orchard Grass has created a new ditch between properties. Eric Vorseth **made a Motion** to make drainage repairs at 7425 E. Orchard Grass Blvd not to exceed \$3100. Scott Pierce **seconded the Motion. The Motion passed.**

There are still 10 more stop signs and frames to be installed. Some posts are leaning so Bob McCue will give Mark Adams a list of locations. The sign post company must come straighten out signs that have blown askew. Phase 2 that includes speed and other signs will be done in the next fiscal year.

## NEW BUSINESS

We are one of the few neighborhoods in the county who snow plow streets. Bob McCue suggests the plow company put markers by the new curbs so plows do not tear them up. Eric Vorseth will speak to Kingsbury.

Reminder that in spring, the city council will put together a 2016 city newsletter.

Mayor spoke to Bob Dye regarding the county approved plan for UPS bringing a storage pod with a golf cart inside to make deliveries in the city so that we do not have the big trucks going in and out during Christmas.

Veolia is ahead of schedule to finish the sewer project.

**Scott Pierce made a Motion** for the meeting to be adjourned. April Phillips **seconded the Motion. The Motion passed.** The meeting was adjourned at 8:21 p.m.
